JOINT MOTION TO RENDER DECISION ON WRITTEN RECORD

The parties in the above-captioned matter jointly move the court to render a decision on the written record submitted by the parties.

The defendants previously filed motions for summary judgment on October 9, 2009. The plaintiffs have filed responses to the summary judgment motions, but the parties since agreed to request the court to render a decision on the written submissions by the parties *in lieu of the scheduled trial*.

The plaintiffs subsequently have refiled omnibus submissions in light of the parties' intent that the court render decision on the written submissions of the parties. The docket numbers for plaintiffs' omnibus submissions in support of their case are: 92, 93, 95, 101, 102, 103, 104, 105 and 107.

The defendants will now file their replies to plaintiffs' submissions, after which the case may be decided by the court on the written record submitted.

Dated this 17th day of December, 2009.
